Specification

The Dealer safety boot is a classic style featuring an elasticated side panels for easy putting on and a water resistant leather upper to keep feet dry. Feet protected from falling objects by steel toecap, further more underfoot protected from sharp objects by a steel plate. Its hardwearing, dual density PU sole is shock absorbent, anti-slip, anti-static and fuel oil resistant. Anti-fatigue and removable EVA foot-bed gives maximum comfort when you're on your feet for long periods.
