Foot Protection

SW052

Specification

A high leg, non-safety occupational style with a water resistant leather upper to keep feet dry. Featuring fully non-metallic construction, midsole to protect the foot against objects that penetrate from below. Its hardwearing, dual density PU sole is shock absorbent, anti-slip, anti-static and fuel oil resistant. Anti-fatigue and removable EVA foot-bed gives maximum comfort when you're on your feet for long periods.
