

Hand Protection

Latex Coated Glove Series

Item No: LBA011

Description:

10G grey polyester liner featuring black crinkle latex palm-coated, full thumb coating.

Key selling points

10G polyester liner provides durable comfort and good fit.

Crinkle latex coating provides protection against cut, wear and puncture, and offers excellent grip.

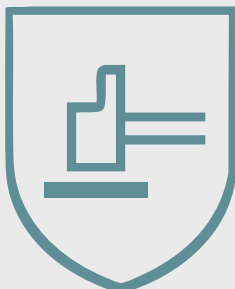

Filament fiber knitted liner, lint-free surface brings silky and cool touch feeling.

Fully thumb coating provides better resistance to dirt and abrasion.

Certification
