

Hand Protection

# Micro Touch Series

Item No: NJE3071

## Description:

13-gauge staple HPPE/glassfiber liner featuring black nitrile unwashed micro foam palm coated.

## Key selling points

High performance HPPE/glass fiber knitted liner offers A4 cut resistance while maintaining flexibility and dexterity.

Micro foam nitrile coating is compatible with light oil and will provide a good grip and excellent abrasion resistance.

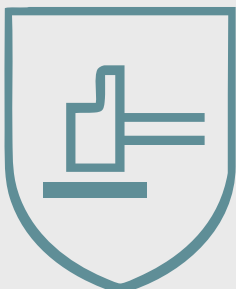

Micro touch series micro foam gloves provide same quality to Hanfeel series but with lower price.

Micro foam nitrile coating offers absolutely breathability.

## Certification
