

Hand Protection

Hanfeel Micro Foam Nitrile Series

Item No: NJJ5006

Description:

15-gauge grey nylon/spandex liner featuring micro foam nitrile palm-coated.

Key selling points

The 15-gauge nylon/spandex liner provides excellent dexterity and flexibility.

Ultra thin micro foam nitrile coating has the good oil-repellency and slip resistance advantage, which bring users a feeling of more comfort and flexibility.

Black coating is more dirt-resistant and durable.

Certification

EN388:2016

4131X

CUT
