

Hand Protection

Hanfeel Micro Foam Nitrile Series

Item No: NJO5006

Description:

15-gauge grey nylon/spandex liner featuring micro foam nitrile palm-coated, featuring dots on palm.

Key selling points

15G Nylon plus spandex liner provides durable comfort and good fit for hands.

Ultra thin micro foam nitrile coating has the good oil-repellency and slip resistance advantage, which bring users a feeling of more comfort and flexibility.

Dots on palm provide strong grip.

Certification

EN388:2016
