

Hand Protection

PU Coated Glove Series

Item No: PES3087

Description:

13-gauge orange hith strenth nylon/glass fiber liner featuring black PU palm-coated.

Key selling points

13G cut-resistant liner is flexible and provides excellent cut-resistance protection.

Ultra-thin and durable PU coating offers superior slip and abrasion resistance.

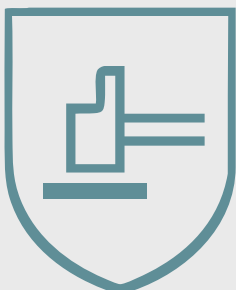

Excellent abrasion resistance makes gloves more durable.

Knit Wrist helps prevent dirt and debris from entering the glove.

Certification

EN388:2016

4X43C
