

Hand Protection

PU Coated Glove Series

Item No: PES3158

Description:

13-gauge HPPE/steel/basalt/polyester/spandex liner featuring black PU palm-coated.

Key selling points

High Performance HPPE/steel/basalt/polyester/spandex knitted liner provides A6 cut resistance.

Ultra-thin and durable PU coating offers superior slip and abrasion resistance.

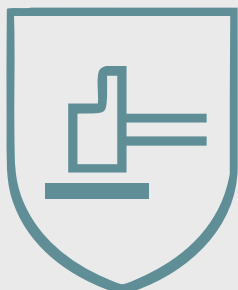

Excellent abrasion resistance makes gloves more durable.

Knit Wrist helps prevent dirt and debris from entering the glove.

Certification

EN388:2016
